

11th Global Capacity-Building Workshop(GCBW) on GCED

GCED Action Plan

Project Overview

- Applicant and Project Information
Please provide your personal details and a short summary of the project you are planning below:

Applicant's Information			
<i>(Please fill in your details accurately)</i>			
First/ Last Name	<i>(please specify)</i>	Year of Birth	<i>(e.g. 1900)</i>
Nationality	<i>(please specify)</i>	Gender	<i>(please specify)</i>
Affiliation	<i>(please specify)</i>	Position	<i>(please specify)</i>
E-mail Address	<i>(please specify)</i>	Mobile Phone	<i>(please specify)</i>
Project Title:			
<i>(Please write a clear and catchy title of your action project)</i>			
Location	<i>(please specify)</i>	Duration	<i>(please specify)</i>
Related SDGs	<i>(please specify)</i>		
Type of Project <i>(Select all that apply)</i>	<input type="checkbox"/> Workshop <input type="checkbox"/> Webinar <input type="checkbox"/> Course Development <input type="checkbox"/> Resource Development <input type="checkbox"/> Research / Publication <input type="checkbox"/> Advocacy / Campaign <input type="checkbox"/> Other (please specify):		
Target Group(s) and Number <i>(Select all that apply and specify)</i>	<input type="checkbox"/> Students — ____persons <input type="checkbox"/> Teachers — ____persons <input type="checkbox"/> Local Community — ____persons <input type="checkbox"/> Youth Leaders — ____persons <input type="checkbox"/> Policy Makers — ____persons <input type="checkbox"/> Other (please specify): _____ — ____persons		

- **Rationale**

1. **Issues/ Problems addressed:**

(What specific challenges or gaps does your project seek to resolve?)

2. **Target Group/ Context:**

(Who will be the primary beneficiaries, and in what local, institutional, or community context will the project be implemented?)

3. **Relevance of GCED:**

(Why is GCED relevant to addressing these issues, and how will GCED be applied in your context?)

- **General Goal**

Please describe the overall goal of the project in one clear sentence.

- **Objectives**

Please indicate the specific objectives of the project, including objectives related to each GCED learning domain (cognitive, socio-emotional, and behavioural), as well as any additional objectives.

- **Implementation of Main Activities**

Briefly describe the main activities of the project.

- **What are your assets/resources?**

Financial Resources, Human Resources, Institutional Resources, etc.

- **Expected Challenges / Outcomes**

Describe the expected results and potential impact of the project using both qualitative and quantitative information. In terms of effectiveness, sustainability, visibility, and anticipated challenges, etc.

- **Evaluation (Qualitative and Quantitative)**

Explain how the project will be evaluated and summarize the main findings, using qualitative and/or quantitative evidence where applicable.

- **Partners and People you have worked with**

Describe the institutions, organizations, or individuals you plan to work with, and briefly indicate their roles in the project
